

Program Worker, Visiting – Social and Safety

Do you have a vibrant personality, great creativity and the ability to drive the implementation of new ideas, can think “outside the box”, have excellent communication and interpersonal skills and a desire to change the world?

West Neighbourhood House, a multi-service community agency working with west-central Toronto neighbourhoods, is looking for a highly motivated individual to join its Seniors Community Development team.

The successful candidate will be familiar with community development and cultural interpretation models used in program planning, delivery, evaluation while bringing excellent storytelling, writing and curation skills. The individual selected for this position will be responsible for the Visiting-Social & Safety (VSS) Program, collect participants' stories, write and curate content using different mediums such as: art showcases, newsletters, program reports, local media and social media.

As a member of the Seniors Community Development team, the successful candidate will also participate in Team, Unit and House-wide activities as required.

Responsibilities:

- Plan, implement, deliver and evaluate all aspects of the VSS program;
- Conduct face-to-face interviews for getting to know participants and volunteers; assess the interests and needs of each individual, document, develop and implement activation plans.
- Receive all volunteers referred into the program, assessing their suitability and providing orientation, training, direction plus on-going support;
- Develop new ways of documenting information and implementing cultural change to care and participant activity planning by exploring a participant story approach as an alternative to traditional forms of case documentation.
- Supervise and monitor participant/volunteer partnerships and to make appropriate referrals when other services are required;
- Promote program activities within the immediate multi-cultural community, local and social media, other Agencies and also by facilitating information sessions with interested groups;
- Compile and maintain statistics, records and other documentation as required by funders; gather anecdotal information for reports and proposals; develop program procedures, compile and maintain client and visitation records or other documentation;
- Provide ongoing training and support to volunteer visitors, callers, social media and learning clubs volunteer co-facilitators;
- Provide cultural interpretation at Health Promotion/General Geriatrics weekly workshops, maintain attendance list and collect statistical information;
- Co-organize and co-facilitate volunteer training series as well as facilitate volunteers and caregivers access to educational opportunities provided by other organizations e.g. seniors organizations, hospitals patient education, hospice services; Alzheimer Society etc.

External Job Posting
