Family & EarlyON Program Support

West Neighbourhood House, formerly St. Christopher House, is a multi-service, neighbourhood-based agency that has served the diverse communities of downtown west Toronto since 1912. The central purpose of West Neighbourhood House is to enable less-advantaged individuals, families and groups in the community to gain greater control over their lives and community.

This is a part-time position working alongside the full time Family Support Program staff to ensure the implementation, development and evaluation of child and family centred programming that promotes healthy child development in all domains. This position will be located at our new program location at 1033 King st which will be operating Tuesday – Saturday. Our program provides experiential learning activities for parents, caregivers and their pre-school children (aged 0 to 6) such as family/caregiver drop-in, indoor and out-door playground, formal and informal learning such as workshops for parents. Working in partnership with parents and guardians, partner agencies and the community to provide safe and stimulating programs and activities that stem from principals of diversity, equity and inclusion.

West Neighbourhood House is actively seeking applications from Indigenous, Black and People of Colour, persons with disabilities, women and persons of all sexual orientations and gender identities/expressions. Applicants with lived experience as a participant of West Neighbourhood House programs, or related programming from similar organizations, are also strongly encouraged to apply.

West Neighbourhood House will provide accommodation throughout the recruitment & selection process to applicants with disabilities. During any stage of the recruitment process, please indicate the nature of any accommodation(s) you may require. Any information received relating to accommodation measures will be addressed confidentially.

Responsibilities:

- Support in the facilitation of child and family drop-In programs focusing on healthy child development and positive parenting practices.
- Support with the planning and implementation of activities that stimulate development in. Social emotional, cognitive, fine and gross motor skills, language.
- Model positive Adult/Child relationships and support parent involvement and capacities.
- Maintain a stimulating early learning environment that is physically and emotionally safe and is inclusive, respectful, and culturally sensitive for children and adult participants.
- Support in the planning of a monthly calendar, activities, events and outings and parent workshops.
- Encourage and promote parent participation in all aspects of program..
- Outreach to isolated families, families with low incomes, newcomer families, and racialized and visual minority groups.
- Support in preparing and facilitating children's activities such as snack time, craft, circle time, reading time.
