
Internal/External Job Posting

Manager of Financial Empowerment

West Neighbourhood House has created a new Manager position responsible for the financial empowerment of diverse low-income people.

This Manager position will oversee our ongoing financial problem-solving work with low-income people (including income taxes and benefits) while furthering the design and implementation of West Neighbourhood House's new model that embeds financial coaching/counselling in other sectors and settings in the region.

The Manager also will be part of the West Neighbourhood House team continuing to develop, test and utilize the Quality of Life data platform, particularly the data pertaining to financial empowerment work.

West Neighbourhood House, formerly St. Christopher House, is a multi-service, neighbourhood-based agency that has served the diverse communities of downtown west Toronto since 1912. The central purpose of West Neighbourhood House is to enable less-advantaged individuals, families, and groups in the community to gain greater control over their lives and community. Our programs and community development activities support approximately 16,000 people of all ages annually in addition to ongoing public policy development and advocacy on social and economic issues.

West Neighbourhood House is actively seeking applications from Indigenous, Black and People of Colour, people with disabilities, women and people of all sexual orientations and gender identities/expressions. Applicants with lived experience as a participant of West Neighbourhood House programs, or related programming from similar organizations, are also strongly encouraged to apply.

West Neighbourhood House will provide accommodation throughout the recruitment & selection process to applicants with disabilities. During any stage of the recruitment process, please indicate the nature of any accommodation(s) you may require. Any information received relating to accommodation measures will be addressed confidentially.
